2023 ANNUAL REPORT

On the Road Again

President's Message

Judging from my well-spent time on the 'road', everyone is rightfully proud of their renewed enthusiasm and accomplishments. Our newsletter positively brims with photos of cheque presentations and community engagement. Over half our members are now sharing in this excitement, delivered straight to their homes! From the wealth of ideas shared, there's sure to be one or two that you could give a try! Sharon Egglestone is appreciated for her outstanding editing efforts!

I would like to thank the great team of Area Directors who are working on your behalf. They are ready to serve you in a variety of ways. From small questions of business order, to organizing your Area Conference, they are always trying to meet your needs. Hats off to Nadi, Yvonne, Joanne, Amanda, Heather and Fern.

The success of our year also reflects the commitment of your BCAHA Executive.

Not only do they all continue to serve in their individual auxiliaries, but they also find time to go the extra mile/kilometre in guiding the initiatives that grow our whole organization. Bouquets to Ian, Allana, Lynda, Cheryl and Diane!

Our 2024 AGM/Conference in Kamloops will be an opportunity to promote the best practises to 'Put Your House in Order'. There should always be new ideas to encourage and goals to achieve. As I like to say, "if we're not moving ahead, we're falling behind". I know you'll look forward to sharing time with our exciting guest speakers!

May you continue to grow and prosper,

Carole J. Murray BCAHA President
