- Vancouver Island 1,281 members

Investing in our Youth for the Future

In every community across the Province of British Columbia Hospital Auxiliaries believe that investing in our Youth is one of the most powerful ways we can shape our future.

The Young people in our communities are full of potential, ideas, and energy- but they need support, guidance and opportunity to truly thrive.

Today's youth face a variety of challenges, from social pressures to limited access to resources and mentorship.

When we invest in our youth, we are building stronger communities, fostering resilience and creating future leaders who will give back and uplift others. Congratulations to all of the 2025 Bursary recipients from the British Columbia Association of Health Care Auxiliaries.

President's Message

Area Directors:

The Auxiliary members are amazing, hard-working and dedicated to their roles, from the smallest, McBride & District Hospital Aux. with 7 members to the largest, Sunshine Coast HealthCare Aux with 371 members.

2024 membership was 5030, with 2025 at 4,991, Invermere HealthCare Aux was successful at 60 members increase and Powell River HealthCare Aux 49 members. Recruitment is hard work especially since some hospitals have created Volunteer Coordinator positions, this has taken away some volunteers that might have chosen BCAHA.

The BCAHA Board of Directors are front and center to support members auxiliaries in continuing their success in raising funds and supporting HealthCare within their Communities.

BCAHA is truly blessed to have Auxiliaries offer Bursaries to the students wanting to enter or continue with their human healthcare education.

Through the BCAHA Outreach Program I was fortunate to have attended 5 out of the 6 Area AGM/Conferences. I was very well received, and the hospitality was out of this world, THANK YOU!

I am looking forward to my next term, some of my goals are to increase membership, attend every Area AGM/Conference through the Outreach Program, plan a strategic planning weekend so BCAHA Board of Directors can work together on succession planning for our Future.

Thank you for having faith in me to serve as your BCAHA President.

Allana Ferro
President

You are truly the  of your Community!!

Allana Ferro
BCAHA President.
