"Helping Healthcare the Auxiliary Way"

The Honourable Judith Guichon,
Lt. Governor of British Columbia,
Government House,
1401 Rockland Avenue,
Victoria, B.C. V8S 1V9

April 1st, 2018

To Her Honour Lt. Governor Judith Guichon,

On behalf of the Board of Directors of the B.C. Association of Healthcare Auxiliaries and all our members, I wish to express our deepest appreciation for the Patronage you have so graciously afforded our organization since assuming the role of Lt. Governor, in November, 2012.

It has been a distinct honour for BCAHA Presidents to welcome you on many occasions to the Opening Ceremony of provincial conferences in several different locations around the province. On each occasion you have sincerely acknowledged the selfless and long-standing volunteer commitment of our members and the considerable contributions they have made in enhancing the quality of healthcare in British Columbia, and you have always enthusiastically inspired our members to continue in this pursuit.

As you prepare to leave your role as the 29th Lt. Governor of this province, please accept once again our sincere thanks for your Patronage, and, indeed, for your many years of dedicated service to all citizens of British Columbia. There is no doubt that you have performed your ceremonial and constitutional duties with grace, and in a manner which truly reflects the motto on your coat of arms emphasizing the importance of "Relationships, Respect, and Responsibility." We wish you well in all your future endeavours.

Sincerely yours,

Lynda Avis
